

# Evidence Scavenger Hunt: Skill #1

## Directions:

The teacher will project a claim. With your partner, race to both find evidence and to explain how the evidence either **supports** or **does not support** the claim. Points will be awarded:

1. Every team that correctly completes the evidence and reasoning will receive **1 point**.
2. The first group to do so for each claim will receive **2 points**.
3. The best reasoning for each claim will receive **3 points**.

<b>CLAIM</b> (Teacher projects.)	<b>EVIDENCE</b> Write the supporting evidence (quote and page number).	<b>REASONING</b> Explain how the evidence supports or disproves the claim.
